

Who?

Acorn Training Academy Ltd.

What? The number one Motor Vehicle Engineering Academy for 14 - 21 year olds in the area. We specialise in Special Education Needs students and have links with a lot of the major schools.

Why? Because we operate a low student to tutor ratio. We work with the latest tools and machinery meaning you are using only the very best.

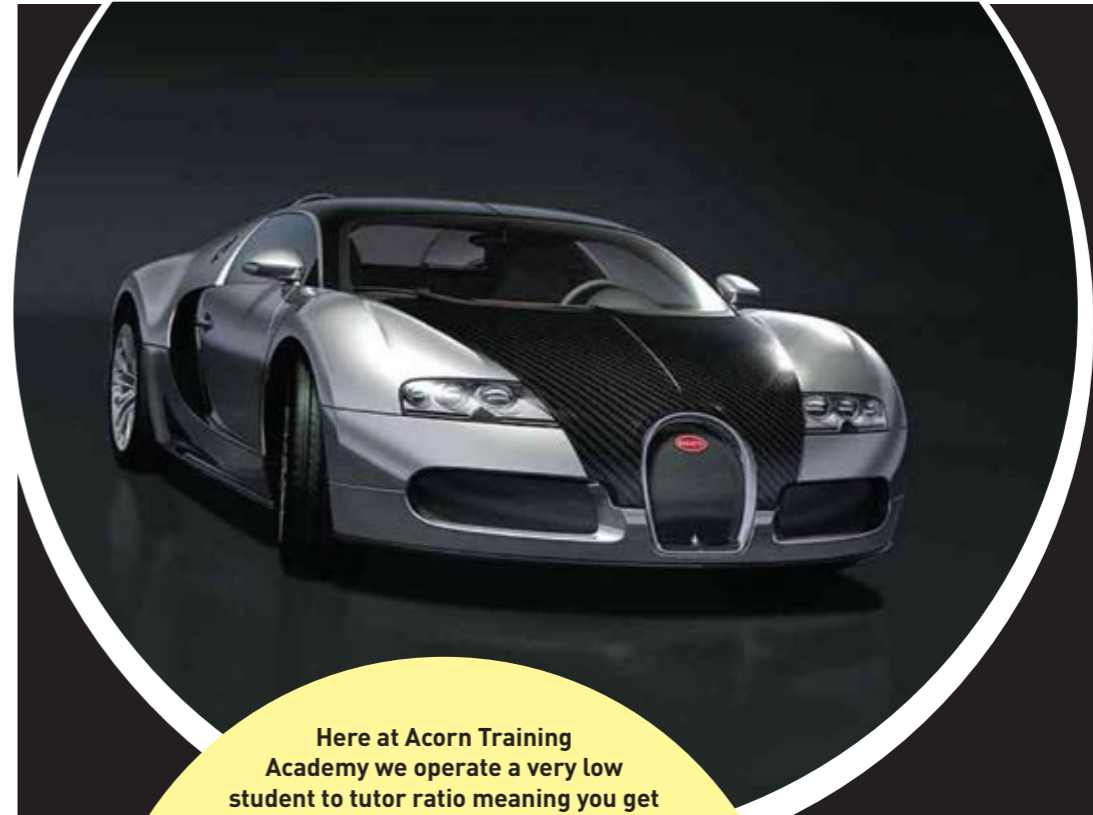

If you want to gain a BTEC in Motor Vehicle Engineering or pass the bespoke Acorn Training Academy course and go on to an apprenticeship, or even be placed with our partner...

then it has to be Acorn Training Academy for your future.

• ACORN TRAINING ACADEMY LTD •

Helping Youth Grow

Here at Acorn Training Academy we operate a very low student to tutor ratio meaning you get the help you need when you need it.

If you want to be part of an academy that offers you first class motor vehicle engineering by tutors with over 50 years of experience then Acorn is for you.

We also offer field trips on a regular basis to Car Shows, Formula One, Go Karting, Car Auctions, Ford and Jaguar plants plus much more.

So whether it's a placement for a school student or an e2e course for a group. So what are you waiting for.

Call us now on 0151 933 6140 or come see us in person
